From Such Definition* You Can’t Have Parades

Unfair to war pigs, yes, but
also to those who love
a good root-toot-toot

as remaining legs strut
along the martial tune
and brass sparks until

black clouds clot.
Viewed from above,

a river of crows,
not of blood.

**War is by definition the indiscriminate killing of huge numbers of people for ends that are uncertain. -Howard Zinn*

Frank lives in Florida, where careening kids claimed to be surgeons and bought million dollar houses.
